Ole! **Flamenco!** Colorful, bold, fast. Brings visions of fiery black booted dancers, colorful Gypsy costumes, and wildly syncopated hand clapping! The raspy Flamenco sound mirrors the joys and sorrows of everyday Andalusian people – Soleares, Alegrias, Fandangos de Huelva, Farruca! I love to play Flamenco!

And from Rio's lovely sunwashed beaches comes the sultry, swaying, Girl from Ipanema. And inspiration for the romantic rhythms of **Bossa Nova** guitar: Manha de Carnival, Corcovado, Samba de Orfeu, and other Breezy Brazilian Favorites.

Listen.

The provocative guitar sound. The sensual resonance that calms and yet...arouses basic desires. Takes you softly along to where it's at. To the most pleasurable vibrations.

Relax to its natural sound after word, after play. Before anything else.

The guitar is powerful. Stimulating.

It's unmistakably guitar.

And I want to share it with you and your friends.

The guitar. A no nonsense sound that lasts...And then some.
